THE APPETIZING FOOD & BEVERAGES MARKET – MOROCCO

Morocco is the most profitable food market in the African region with its' perfect location, annual growth rate, and its' dependency to the international food market. Morocco is located to Northern Africa with a perfect close-range of Europe, less than 15 kilometers away from Spain. Morocco which has around 36 million populations is the 6th largest economy among the 14 Middle East and Northern Africa countries. It had a GDP of 140.1 billion dollars in 2016.

Moroccan is famous for producing wheat, sugar beet, orange, potatoes, tomatoes, olives and olive oil but it is strongly dependent to foreign food markets such as grain, sugar, coffee, tea and many other products. Being a multilingual country, having a stable political structure, having tax free agreements with many countries and Moroccan food industry's dependency on the international food industry make all eyes are on Morocco market in recent years.
